

ACCOMMODATION IN HUELVA

There are lots of renting possibilities here in Huelva for most budgets, ranging from students' rooms in residence halls to shared flats. For your convenience, we recommend to rent a flat in the city center or near the Campus El Carmen (Los Rosales, Fuentepiña, Avenida Andalucía, ...). We also strongly recommend you flat sharing with Spanish students since it will ease your integration and you will improve your Spanish language command. Even some platforms offer advanced booking, most students select their flat or room once they arrive, after spending some days in temporary accommodation.

Accommodation is one of the most stressful issues for students, but here in Huelva, you will have no problems since prices are affordable and there are extensive renting offers.
