Accommodation

There are lots of renting possibilities here in Huelva for most budgets, ranging from student rooms in residence halls to shared flats, so no need to worry in this sense.

For your convenience, we recommend renting a flat in the city center or near the Campus El Carmen (Los Rosales, Fuentepiña, Avenida Andalucía, ...).

You have two options when searching for a flat in Huelva:

1. Temporary accommodation for the first days while looking for a permanent flat or room.
2. Book a room or flat online, or once you arrive.

Each option has advantages and disadvantages, so consider which one better suits your needs and budget.

For more information, please check the link below "Accommodation Guide":

<http://uhu.es/english/documentos>

What is the average cost of accommodation per month?

Usually between 200€ - 250€ per student per month in shared flat with own bedroom (bills included).

What is the approximate cost of living per month for students? 420€ - 480€ (possibly less) should cover all expenses: rent, bills, food, transport,...

Healthcare

Students should have the European Health Card or a private insurance (without one of these, you will not be allowed to register).
