## **INCOMING STAFF MOBILITY**

The University of Huelva welcomes staff visits from its partner universities, both within and outside of the framework of the Erasmus + European Mobility Programme.

## **INTERNATIONAL WEEK**

We have celebrated 3 International Weeks during the 2021/2022 academic year, in an effort to facilitate those colleagues whose mobility was cancelled due to COVID. We expect to celebrate our 2023 International Week in April 2023. When the dates have been set, information will be sent to all partner institutions. We will be accepting teaching and training applications for this event from October 2022. The maximum number of participants will be decided when we have a clearer idea of the public health situation. If demand exceeds available places, we will accept as many applications as possible favouring diversity. There will be no charge for the programmed activities. For more information write to [drinter@uhu.es](mailto:drinter@uhu.es)

## **ERASMUS MOBILITY FOR TEACHING ASSIGNMENT**

Visits for Erasmus teaching mobility, (public health restrictions allowing), can take place from mid-October to early May or during the International Week in April 2023.

Academic staff should write directly to our academic coordinator, or to our office ([drinter@uhu.es](mailto:drinter@uhu.es)). All proposals for Erasmus Teaching mobility should include some detail on the content of the proposed classes and an updated CV. The proposal will be forwarded to the academic coordinators responsible for approving and organizing the mobility. The International Office cannot accept proposals for teaching mobility without the approval of the academic coordinator.

## **ERASMUS MOBILITY FOR TRAINING**

Visits for Erasmus Staff Training should be sent to the International Office for our 2023 International Week. Academic staff who can set dates and organise a satisfactory work programme directly with our academic coordinators can visit the University of Huelva for training at dates outside of our International Week.

## **INSTITUTIONAL VISITS**

Please contact the International Office ([drinter@uhu.es](mailto:drinter@uhu.es)) with your proposal, which should include the names and positions of the visitor(s), the motivation for the visit, possible dates and proposed activities.
